CVEN 626 – Highway Safety

Assignment #1

This assignment is due on Friday, September 5th, 2025. Please be ready to discuss Question 2 in Friday's lecture.

Submit one assignment per person.

Question 1

'Academic Integrity and Plagiarism' is an important issue that every student faces. The TAMU Library has an excellent resource of academic integrity and plagiarism. This web page includes a tutorial:

[https://webassets.library.tamu.edu/public/files/tutorials/articulate/Academic_Integrity_and_Plagiarism/content/index.html/#/](https://webassets.library.tamu.edu/public/files/tutorials/articulate/Academic_Integrity_and_Plagiarism/content/index.html#/)

Please email me the certificate once it is completed at d-lord@tamu.edu.

Question 2

- a) Interview two drivers who were involved (during the last year) in a reportable (& reported) motor vehicle collision as drivers. On this basis, fill out the accident forms attached with this assignment.
- b) Who was at fault and what charges could have laid or were laid?
- c) What actions or decisions (of those directly involved in the accident and of others who may have contributed to the accident by earlier actions or decisions) might have affected the eventual course of events in terms of accident occurrence and severity?
- d) How can the knowledge be obtained in b) and c) lead to the identification of potential countermeasures?
